

# STEP 1

Log in to your Splunk.com account.

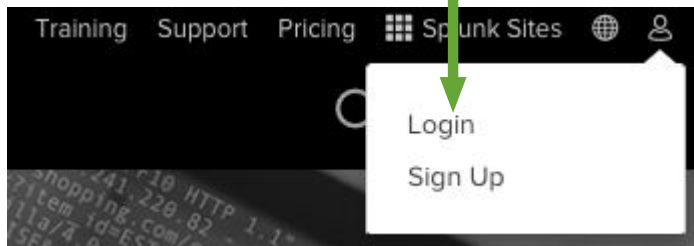

1

Click the [avatar](#) in the top-right corner of [Splunk.com](#).

2

Select "Login" from the pull-down menu.

3

## Log In

Username

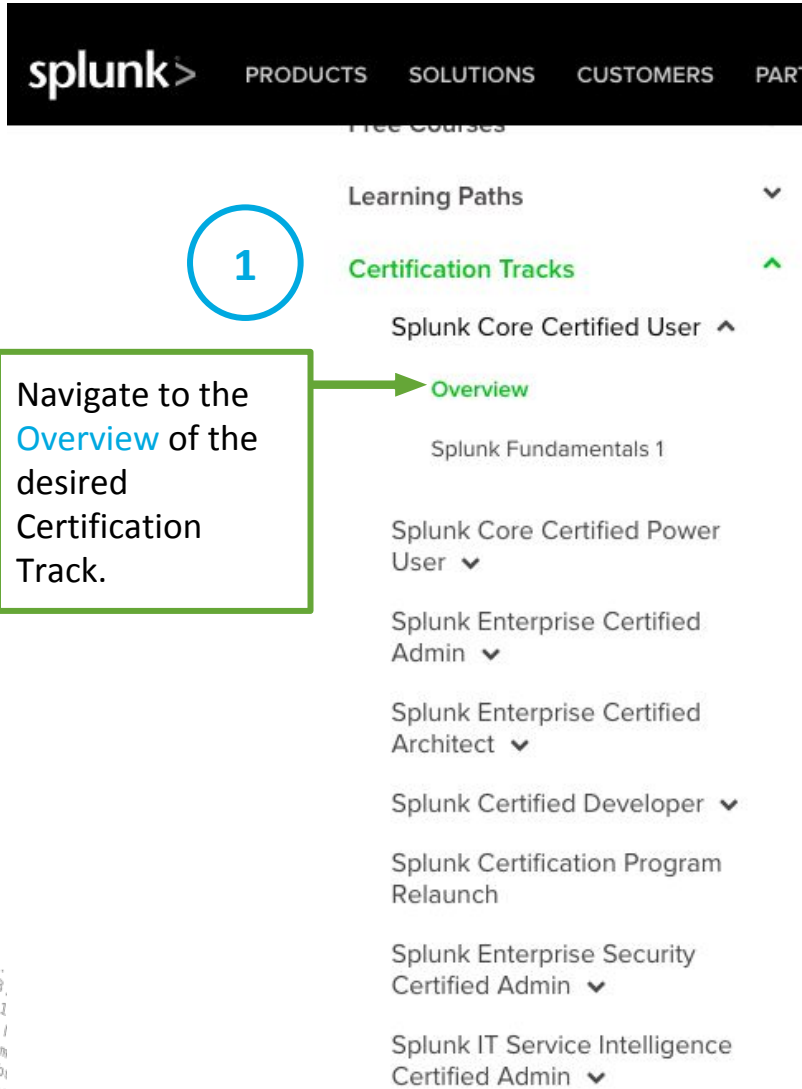

Password

I'm not a robot

Enter login credentials. Click "Log In".

# STEP 2

Connect your Splunk account to the testing partner platform.

1

Navigate to the [Overview](#) of the desired Certification Track.

## CERTIFICATION EXAM

You're almost there. You are now eligible to register for your certification. To connect your Splunk.com account and existing certifications, please follow this link and fill out the form.

2

Scroll down to the Certification Exam and click [Connect Accounts](#).

[Connect Accounts](#)

Already connected? [Go to Pearson Vue to take the exam »](#)

To change your personal information [fill out this form »](#)

If you're already a Partner, please register for an exam at the [Partner Portal »](#)

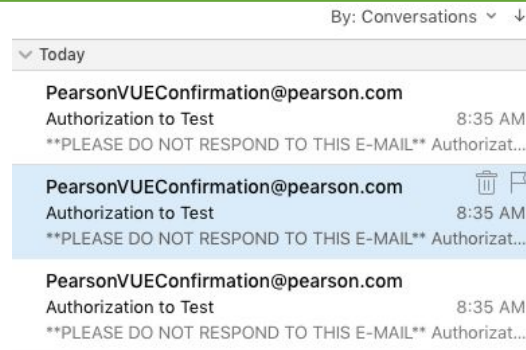

# STEP 4

Wait for Authorization to Test email from [PearsonVUEConfirmation@pearson.com](mailto:PearsonVUEConfirmation@pearson.com).

1

After submitting your form, please wait (**up to 4 business days**) for your Authorization to Test email(s) from [PearsonVUEConfirmation@pearson.com](mailto:PearsonVUEConfirmation@pearson.com). Please do not contact the Splunk Certification Team until four business days have passed. **Please be sure to whitelist the above email address to ensure the email(s) are not quarantined or sent to your spam folder.** You will receive one Authorization to Test email for each certification exam for which you are eligible. You can use the links in **any** of the emails to access your Pearson VUE account.

## Authorization to Test

\*\*PLEASE DO NOT RESPOND TO THIS E-MAIL\*\*

## Authorization to Test

You have been authorized to take an exam with Pearson VUE. Information, including exam rules and scheduling instructions, are shown below. If the details of your authorization do not seem correct, please contact [certification@splunk.com](mailto:certification@splunk.com) immediately.

### Authorized Candidate:

Splunk ID: PV-00641571

Client Authorization ID: EAD-00000541

Exam: SPLK-1001 - Splunk Core Certified User

Number of Attempts Authorized: 6

Authorized Dates: 01 October 2018 - 31 December 2018

### INSTRUCTIONS FOR SCHEDULING YOUR EXAM

To schedule an appointment to take an exam at .conf, please go to <https://home.pearsonvue.com/splunk/conf>

To schedule your appointment on the website, please go to [www.PearsonVue.com/splunk](http://www.PearsonVue.com/splunk). This website provides additional information about exams, programs, and test center locations.

2

Make note of your **Splunk ID**. This is your personal ID number, which you'll need to access your PearsonVUE account.

3

Use the links provided or visit [www.PearsonVue.com/splunk](http://www.PearsonVue.com/splunk) to schedule your exam appointment.

# STEP 5

Create PearsonVUE account: [www.PearsonVUE.com/splunk](http://www.PearsonVUE.com/splunk).

Home > Test taker home > Splunk

## Splunk Certifications

Splunk Certifications are an IT industry standard designed to validate knowledge of and demonstrate proficiency with Splunk's universal machine data platform. Certifications range from entry-level to expert and were created to help candidates succeed and thrive in a competitive marketplace. Becoming Splunk certified opens new doors in career growth and professional development. For more details on our programs please visit [www.splunk.com/education](http://www.splunk.com/education).

- Test Scheduling
- Program Information
- Program FAQ
- Candidate Handbook

To schedule, reschedule or cancel an exam:

Sign in Create account

- Forgot my username
- Forgot my password

1

Select Create account.

2

Input First Name, Last Name, and Splunk ID (provided in [Authorization to Test](#) email). Names must match those provided to Splunk.com in [Step 3](#).

New users, please sign up for a web account

You will need your Splunk ID to complete the sign up process.

First Name / Given Name:

Last Name / Surname / Family Name:

Splunk ID:  
[What is this?](#)

3

Continue to click through account creation. Verify contact information, create username, password, and security questions.

# STEP 6

Schedule an exam appointment.

## Home

1

### Splunk Exams

#### Pre-approved Exams

- [SPLK-1001: Splunk Core Certified User](#)
- [SPLK-3001: Splunk Enterprise Security Certified Admin](#)
- [SPLK-3002: Splunk IT Service Intelligence Certified Admin](#)

From PearsonVUE account [Home](#) screen, select the exam you'd like to schedule.

## Select Exam Delivery Option

For: SPLK-1001: Splunk Core Certified User

All fields are required.

### How do you want to take your exam?

#### [Exam delivery option descriptions](#)

- At a local test center
- At my home or office
- I have a Private Access Code

2

Choose preferred exam delivery method. Note: candidates who choose "At my home or office" are subject to system requirements. Best practice is to perform system test *prior* to scheduling this option.

# STEP 6 (continued)

## Schedule an exam appointment.

3

Click through the verification screens and proceed to [Schedule this Exam](#), followed by [Proceed to Scheduling](#).

### Test Center Search

Exam Selection: SPLK-1001: Splunk Core Certified User | Language: English [Change Exam](#)

Find test centers near:

270 Brannan Street, San Francisco, California, 94107, United States

e.g., "55437" or "5601 Green Valley Drive, Bloomington, MN" or "Paris, France"

★ MILITARY COMMUNITY looking for on-base test centers, please [click here](#).

You can select up to three test centers to compare availability.

The test center information link may provide more information regarding wheelchair support, parking, directions, and other physical considerations for a test center.

# THAT'S IT!

You did it! Now it's time to study.

You will receive a registration confirmation email from Pearson VUE. Please read these email(s) carefully, as they provide important information regarding rescheduling, cancellation, etc.

As we've mentioned, a **lot** has changed with the Splunk Certification program relaunch. We highly recommend downloading (and reading!) our [Splunk Certification Candidate Handbook](#) to ensure you are familiar with the latest and greatest program policies.

Once you're ready to hit the books, we recommend reviewing the exam blueprint! You can access this comprehensive study guide via the handbook (hint: see link above, then find [Appendix A](#)).

As a final note, thank you for your continued commitment and enthusiasm for Splunk Certification. **Good luck on your exam!**
